FAMILY COOKING CLASS

LAGRANGE COMMUNITY CENTER
Saturday, March 21st 10am-11am

Join us for our first family cooking class! As a family you will create a dish that the kids will be able to make with you easily at home! Whether you are a first time cook or have been cooking for years, you will have fun making something with the family!

Free for the whole family!

We will be making guacamole!

When we are finished making it, you will have a chance to sit and enjoy what you made with some chips!
